International Monetary Fund
VOLUME 30
INDEX 2001

2001 Index

AFRICA

Africa needs debt relief, aid, and market access *Nov 26, 374*
African countries face challenges in tackling major problems of reducing debt *Jan 8, 6*
African countries share experiences, challenges in galvanizing efforts to reduce poverty *Oct 8, 316*
Economic globalization can directly benefit African countries' development efforts *Feb 5, 47*
Group of Eight calls for decisive global action to help developing countries, especially Africa *Jul 30, 245*
Joint meeting reaffirms commitment to poverty reduction, especially in Africa *May 7, 146*
Köhler endorses New African Initiative, promises to provide strong IMF support *Jul 30, 245*
Köhler, Wolfensohn meet with African leaders to discuss economic challenges facing region *Mar 5, 69*
New African Initiative *Oct 8, 317*
Regional gathering focuses on challenges of extending benefits of globalization in Africa *May 21, 168*

AHMED, MASOOD

Reviews of PRSP process and PRGF are designed to draw upon wide range of country, other perspectives *Sep 17, 294*

AIDS, SEE HIV/AIDS

ALBANIA

Sizable changes in relative goods prices during transition partly explain Albania's low inflation *Mar 19, 99*

ALESINA, ALBERTO

Growing interest in currency unions may reflect real benefits for some countries *Jul 2, 223*

ALLEN, MARK

IMF fosters international cooperative assistance to allow markets to work properly *Sep 3, 288*

AMERICAN ECONOMIC ASSOCIATION (AEA)

AEA panel addresses reform issues facing Bretton Woods institutions *Jan 22, 26*
Conference examines U.S. economic uncertainties, exchange rate choices, and globalization *Jan 22, 21*

ANINAT, EDUARDO

Aninat calls on China to continue to prepare domestic enterprises for global competition *Jan 22, 29*
Capital markets in Latin America face challenges, but benefits are worth the effort *Mar 5, 78*
Globalization and careful planning have fueled Spain's rapid economic development *Jul 16, 237*

ARGENTINA

Accelerated disbursement for Argentina *Aug 13, 263*
Argentina needs to continue fiscal and structural reforms, Fischer advises *Jul 2, 213*
IMF augments Argentina Stand-By credit *Sep 17, 308*
IMF completes third Argentine review, opens way for release of funds *Jun 4, 181*
IMF delays Argentina disbursement *Dec 10, 386*
IMF management welcomes Argentine fiscal measures *May 7, 141*
Köhler announces agreement on strengthened Argentine program *Jan 8, 14*
Köhler to recommend increase in Argentina's Stand-By credit *Sep 3, 282*

IMF Managing Director Horst Köhler

ARORA, VIVEK

Canadian experience offers some lessons on economic integration, choice of exchange regime *Jul 2, 226*

ASIA

Asian policymakers examine country ownership and effectiveness of IMF conditionality *Jul 30, 249*
Hong Kong SAR's strong fundamentals, policies generate quick recovery from Asian crisis *Jun 18, 202*

How to use this index

This index is a guide to articles appearing in the *IMF Survey* in 2001. For each article, the heading, date, and initial page number are listed under all appropriate subject headings.

In 2001, the *IMF Survey* featured special issues dated May 7 (spring meetings), September 2001 (*Supplement on the IMF*), and November 26 (Ottawa meetings).

Page numbers in the *Supplement on the IMF* are indicated in the index by an *S* in front of them.

Each year's index is included in bound volumes of the *IMF Survey*. Volume 30 will be available for $89.00 from Publication Services, IMF, Washington, DC 20431, U.S.A.

In Kobe remarks, Köhler stresses importance of floating rates among major currencies *Jan 22, 21*
"Perfect" monetary and exchange rate strategies for East Asia may prove difficult to devise *Oct 8, 318*

Asia-Europe Finance Ministers (ASEM) meeting

In Kobe remarks, Köhler stresses importance of floating rates among major currencies *Jan 22, 21*

Asian crisis, *see* Financial crises

Balance of Payments

Saudi Arabian Monetary Agency, IMF work to improve regional balance of payments statistics *Apr 16, 131*

Bank for International Settlements (BIS)

Signs of global economic slowdown cast shadow over international markets *Mar 19, 95*

Banking supervision

Basel Committee on Banking Supervision *Feb 5, 39*
Basel Committee presents proposals for new capital adequacy standards for banks *Feb 5, 37*
Conference focuses on financial stability and prudential regulation in the Pacific *May 21, 177*
IMF, with other agencies, helps countries raise supervision standards, improve financial stability *Sep 3, 280*
Tirole discusses why banking regulation is needed and why IMF's role should be well defined *Jan 22, 34*

Barro, Robert

Barro on costs and benefits of currency unions *Jul 2, 224*

Basel Committee on Banking Supervision

Basel Committee on Banking Supervision *Feb 5, 39*
Basel Committee presents proposals for new capital adequacy standards for banks *Feb 5, 37*

Bhagwati, Jagdish

Bhagwati counters critics of globalization, stresses its social and economic benefits *Apr 2, 114*

Bonds

Bonds: a brief primer *Jun 18, 208*
IMF staff study, Board discussion examine experience with sovereign bond restructurings *Feb 19, 58*

Boorman, Jack

Boorman says IMF Contingent Credit Lines enhance positive signaling effect, automaticity *May 7, 160*
Boorman sees need to balance conditionality and ownership *Jul 2, 220*
Boorman to leave IMF after Annual Meetings *Jun 4, 186*

Jack Boorman

Boughton, James

History traces IMF's coming of age as participant in international financial system *Oct 22, 331*

Brau, Eduard

Treasurer's Department has important role in mobilizing, managing, safeguarding resources *Jan 8, 1*

Brazil

IMF, Brazil establish training center *May 7, 142*
IMF management to recommend $15 billion Stand-By for Brazil *Aug 13, 263*

Bretton Woods Committee

Participants review measures taken to refocus IMF and promote transparency *May 21, 176*

Bretton Woods institutions

AEA panel addresses reform issues facing Bretton Woods institutions *Jan 22, 26*

Brookings Institution, The

Discussants weigh impact of foreign participation in financial systems of developing countries *May 21, 173*
Standards, governance, bank regulation help to integrate emerging markets in global system *Feb 5, 51*

Brown, Gordon

Brown, Köhler stress meeting's recognition of shared interests of global community *May 7, 140*
Brown, Köhler stress need for global cooperation *Nov 26, 365*

Calomiris, Charles

Calomiris commends recent IMF reforms but urges further rethinking of policies, facilities *Sep 3, 286*

Cambodia

Cambodia takes first steps toward achieving sustainable development and poverty reduction *Sep 17, 306*

Canada

Canada's inflation-targeting regime provides transparency and effective nominal anchor *Mar 5, 82*
Canadian experience offers some lessons on economic integration, choice of exchange regime *Jul 2, 226*

Capital accounts

Conference ponders global outlook, financial crises, and effects of capital account liberalization *Apr 16, 129*
Reserves should be adequate to reflect increase in capital account flows, need for crisis prevention *Feb 19, 66*

Capital markets

Accessing the markets after crises *Nov 12, 344*
Capital markets in Latin America face challenges, but benefits are worth the effort *Mar 5, 78*

IMF report confirms dominant U.S. position as recipient of international capital flows *Jul 30, 252*
IMF sharply steps up its dealings with international capital markets and private sector *Nov 12, 341*
Regional seminars support launch of Coordinated Portfolio Investment Survey *Apr 2, 108*

CARIBBEAN REGION

Capacity building is a key goal of CARTAC *Nov 26, 380*
Eastern Caribbean Currency Union *Oct 22, 339*
Grenada faces challenge of managing the economy of a small state *Oct 22, 338*
Jamaica introduces a wide range of measures to strengthen economy and promote growth *Jun 18, 209*
Trinidad and Tobago faces the challenges of managing an energy-based economy *Aug 13, 275*

CERISOLA, MARTIN

Economists consider impact of "new economy" and prospects for its further expansion *Jan 8, 17*

CHINA

Aninat calls on China to continue to prepare domestic enterprises for global competition *Jan 22, 29*
Hong Kong SAR's strong fundamentals, policies generate quick recovery from Asian crisis *Jun 18, 202*
IMF Board of Governors approves quota increase for China *Feb 19, 55*
IMF proposes quota increase for China *Jan 8, 6*

CIVIL SERVICE REFORM

Early dialogue between Bank and IMF staff is critical to success of civil service reform *Oct 22, 334*

CIVIL SOCIETY

Panel considers civil society's involvement in issues of global financial governance *Apr 16, 121*

CONFERENCES

ABCDE

Discussion focuses on impact of globalization on inequality and rich-poor disparities *May 21, 179*

American Economic Association

Conference examines U.S. economic uncertainties, exchange rate choices, and globalization *Jan 22, 21*

Bangkok

"Perfect" monetary and exchange rate strategies for East Asia may prove difficult to devise *Oct 8, 318*

Brookings-Wharton

Standards, governance, bank regulation help to integrate emerging markets in global system *Feb 5, 51*

Davos World Economic Forum

Participants meet amid concerns over global economic outlook *Feb 19, 53*

Dubrovnik

Emerging market and transition economies face special challenges in globalized economy *Jul 30, 258*

IMF annual research

Participants explore effective conditionality, costs of currency crises, disinflation *Dec 10, 398*

IMF-KIEP

Korea's initial crisis responses appropriate, but structural reforms are key to long-term growth *Jul 16, 243*

Technical assistance

Conference focuses on financial stability and prudential regulation in the Pacific *May 21, 177*

World Bank–IMF–Brookings

Discussants weigh impact of foreign participation in financial systems of developing countries *May 21, 173*

CORDEN, W. MAX

Corden says developing countries' choices vary according to specific economic circumstances *Feb 5, 44*

CORRUPTION

Good governance now widely seen as essential; IMF places emphasis on prevention of corruption *Jun 18, 205*
Transparency International findings illustrate "vicious circle" of poverty and corruption *Jul 16, 240*

COUNTRY OWNERSHIP

Asian policymakers examine country ownership and effectiveness of IMF conditionality *Jul 30, 249*
Boorman sees need to balance conditionality and ownership *Jul 2, 220*
Policy dialogue focuses on links between country ownership and IMF conditionality *Jul 2, 218*
Speakers argue that ownership, not the number of conditions, is key to success of an IMF program *Aug 13, 261*

CURRENCY CRISES, SEE FINANCIAL CRISES

CURRENCY UNIONS

Barro on costs and benefits of currency unions *Jul 2, 224*
Growing interest in currency unions may reflect real benefits for some countries *Jul 2, 223*

CYPRUS

Financial assessment of Cyprus is first to be published *Sep 3, 281*

DATA DISSEMINATION

IMF releases comprehensive data on reserves and related information on Internet *Jul 2, 222*

DATA ISSUES

Data quality reference site *Jan 8, 12*

Experts discuss trends and approaches to assessing statistical quality *Jan 8, 10*
Saudi Arabian Monetary Agency, IMF work to improve regional balance of payments statistics *Apr 16, 131*

Davos World Economic Forum

Participants meet amid concerns over global economic outlook *Feb 19, 53*

De Masi, Paula

Economists consider impact of "new economy" and prospects for its further expansion *Jan 8, 17*

Debt

Africa needs debt relief, aid, and market access *Nov 26, 374*
African countries face challenges in tackling major problems of reducing debt *Jan 8, 6*
Exchange operations play increasing role in managing liability and dealing with crises *Jun 18, 208*
IMF emphasizes helping debtor countries achieve durable growth, reduce poverty *Sep 2001, S16*
Krueger floats international workout mechanism *Dec 10, 385*
Net present value of debt *Sep 2001, S16*
Regional seminars support launch of Coordinated Portfolio Investment Survey *Apr 2, 108*
Twenty-two poorest countries qualify for debt relief under joint IMF–World Bank HIPC Initiative *Jan 8, 1*

Debt crises, see Financial crises

Meeting the press: Development Committee Chair Yashwant Sinha (middle) flanked by World Bank President James Wolfensohn and IMF First Deputy Managing Director Anne Krueger.

Derivatives markets

OTC derivatives markets are beneficial, but can also be source of systemic risk *Feb 5, 42*

Developing countries

Corden says developing countries' choices vary according to specific economic circumstances *Feb 5, 44*
Discussants weigh impact of foreign participation in financial systems of developing countries *May 21, 173*

Development Committee

Communiqués

Financing for Development Conference *Nov 26, 368*
Ministers call for global effort to fight poverty *Nov 26, 368*
Ministers stress that good policies are at core of successful development programs *May 7, 148*
Participants see progress in fighting poverty, strengthening growth in poorest countries *May 7, 144*

Press conference

Joint meeting reaffirms commitment to poverty reduction, especially in Africa *May 7, 146*

Dicks-Mireaux, Louis

Good governance now widely seen as essential; IMF places emphasis on prevention of corruption *Jun 18, 205*

Dollar, David

Globalizing countries provide evidence of faster growth, rising incomes for poor *Sep 17, 298*

Dominican Republic

Dominican Republic makes dramatic progress in boosting economic growth and reducing poverty *Nov 12, 351*

Drazen, Allan

Drazen analyzes reasons for popular resistance to reform and role of crises in policy change *Jan 22, 32*

Early warning systems

Early warning systems: fad or reality? *Nov 12, 347*
Köhler calls for a public-private partnership to promote greater financial stability *Jun 4, 181*
Obstfeld reflects on currency crises, exchange rate regimes, and early warning systems *Dec 10, 396*

Economic Strategy Institute

Panelists debate duration of U.S. downturn and appropriate mix of monetary and fiscal policies *Feb 19, 61*

Ecuador

IMF completes second review and approves extension *Jun 4, 186*

Education

Spending on health and education gaining on military spending in HIPC countries *Jun 4, 194*

Edwards, Michael

Edwards urges building constructive dialogue between IMF and nongovernmental organizations *Apr 16, 120*

El-Erian, Mohamed

Emerging markets performed strongly in 2000, could face bumpy though rewarding ride in 2001 *Feb 5, 37*

Emerging markets

Countries need to keep investors better informed *Dec 10, 389*
Donors meeting on Kosovo *Mar 19, 92*
Economic, political, and social uncertainties pose challenges to fiscal sustainability *Mar 19, 92*
Effects of current turmoil in emerging markets may be less widespread than in previous crises *Aug 13, 270*

Emerging market and transition economies face special challenges in globalized economy *Jul 30, 258*
Emerging markets performed strongly in 2000, could face bumpy though rewarding ride in 2001 *Feb 5, 37*
More emerging market economies seen to be adopting inflation targeting *Jul 16, 241*
Report weighs bond, equity market prospects, examines contagion and periods of "drought" *Feb 19, 64*
Sizable changes in relative goods prices during transition partly explain Albania's low inflation *Mar 19, 99*
Standards, governance, bank regulation help to integrate emerging markets in global system *Feb 5, 51*
What was behind the 1990s boom? *Dec 10, 387*

Environmental issues

IMF team keeps an eye on linkages between environment and macroeconomic policies *Nov 12, 354*

Estevao, Marcello

Economists consider impact of "new economy" and prospects for its further expansion *Jan 8, 17*

Estonia

Estonia establishes itself as market economy in position for accession to European Union *Sep 17, 303*

Europe

IMF surveillance of euro area reflects increasing interest in multilateral approach *Mar 5, 80*
United States holds the key to global recovery, but Japan and Europe could do more *Dec 10, 394*

Exchange rate regimes

Canadian experience offers some lessons on economic integration, choice of exchange regime *Jul 2, 226*
Conference examines U.S. economic uncertainties, exchange rate choices, and globalization *Jan 22, 21*
Corden says developing countries' choices vary according to specific economic circumstances *Feb 5, 44*
Country-specific needs still dictate choice of exchange rate regime, panelists find *Apr 16, 123*
In Kobe remarks, Köhler stresses importance of floating rates among major currencies *Jan 22, 21*
Köhler addresses challenges of globalization for "central issue" of exchange rate policy *Jan 22, 23*
Obstfeld reflects on currency crises, exchange rate regimes, and early warning systems *Dec 10, 396*

The *IMF Survey* (ISSN 0047-083X) is published in English, French, and Spanish by the IMF 23 times a year, plus an annual *Supplement on the IMF* and an annual index. Opinions and materials in the *IMF Survey* do not necessarily reflect official views of the IMF. Any maps used are for the convenience of readers, based on National Geographic's *Atlas of the World*, Sixth Edition; the denominations used and the boundaries shown do not imply any judgment by the IMF on the legal status of any territory or any endorsement or acceptance of such boundaries. Text from the *IMF Survey* may be reprinted, with due credit given, but photographs and illustrations cannot be reproduced in any form. Address editorial correspondence to Current Publications Division, Room IS7-1100, IMF, Washington, DC 20431 U.S.A. Tel.: (202) 623-8585; or e-mail any comments to imfsurvey@imf.org. The *IMF Survey* is mailed first class in Canada, Mexico, and the United States, and by airspeed elsewhere. Private firms and individuals are charged $79.00 annually. Apply for subscriptions to Publication Services, Box X2002, IMF, Washington, DC 20431 U.S.A. Tel.: (202) 623-7430; fax: (202) 623-7201; e-mail: publications@imf.org.
